For EU review.
Expect that we'll have a meeting to discuss soon with State and ITC.
Thx

Subject: 2nd 80s Fire Waste Management Plan for review and approval

Please see attached the Waste Management Plan for the 2nd 80s Fire for your review and approval. I will be sending a separate email with another large attachment that accompanies this plan.

If further TCEQ comments on this plan are anticipated, we request an in-person meeting between ITC waste specialists and TCEQ waste specialists with approval authority to discuss.

Cheers,
